EASTLAND SUNBEAM -- Tri-Lateral Decorative

A perfect Decorative (formal) flower of old rose, pink and gold, effectively blended, forms a color symphony of rare charm and beauty. Upon close examination in sunlight, each petal has the appearance of being sprinkled with grains of fine gold. Nature has completed this masterpiece of beauty by supporting the blooms on stiff, rigid stems. The plant, according to the best authorities, is a genuine break in the Dahlia world. Three laterals grow at each node, while the ordinary Dahlia grows but two. As flowers are produced by laterals, EASTLAND SUNBEAM will grow 50%

more flowers than the common bi-lateral plant. EASTLAND SUNBEAM is the foundation stock of a new and better race of Dahlias whose inherent characteristics will be to produce more blooms of better quality. All roots are field-grown, not weakened by cuttings, and will, by their stamina and vigor assure you a vigorous growing, healthy plant. To those who appreciate the best in blooms and plants, and wish to grow something different, that is the latest sensation of the Dahlia world, we heartily recommend EASTLAND SUNBEAM. Actual photographs, not retouched, will be sent free to those interested. **Roots \$5.00**

EASTLAND SERVICE REPORTS

Eastland Dahlia Service Reports will again be issued this season. Free to customers whose orders amount to \$4.00 or more. The favorable comment which we have received, assures us that this unique and valuable service to Dahlia lovers is fully appreciated. It is very easy to grow Dahlias with average sized flowers, but to grow plants that will produce such blooms as are seen on the exhibition table require a special knowledge and instruction which is found in the Eastland

Report Service. Information written in non-technical and comprehensive language will be sent to you just at the correct time when an important phase is taking place in the life of your Dahlia plant. Reports, five in number, will show you how to grow the biggest blooms in your section; also give you a better understanding of the Dahlia plant. No one who loves Dahlias can afford to be without these valuable Service Reports.

DAHLIA LABELS

Dahlia labels, all painted white, copper wire, 100 for 50 cents. 500 for \$2.00; 1,000 for \$3.50. Post paid.

GARDEN BOOKS

Let us send you our complete garden book catalogue, we especially recommend, "Modern Dahlia Culture", by Waite, the finest book written for those who grow Dahlias. Price \$1.65, postpaid.

We shall be glad to send this Special Spring Sales Bulletin to those of your friends who you know are interested in Dahlias and Gladioli. A list of such friends and acquaintances will be greatly appreciated and we will add to your shipment, one 50 cent Dahlia, a named variety, properly labeled, FREE.

We have thousands of Dahlia roots in storage, and no doubt will be able to fill your order when received; however, to avoid disappointment, we advise that you order early. We have supplied our Dahlias to some of the most critical Dahlia lovers who desire the best in tubers and service of the highest type. They have received satisfaction and so will you, as we guarantee all roots true to name and their arrival in good growing condition. We cheerfully replace any that arrive otherwise, or return your money by the next mail. Due to the extreme care exercised in preparing shipments, we have never had a shipment returned, neither have we had to replace tubers wrongly labeled. Through constant care we intend to duplicate this record again this season.

The folder, "New Hampshire, the Land of Scenic Beauty" containing over 175 rotogravure photographs, will be sent free upon request to any address, postpaid. Send your requests to our office here at Dover, N. H., from which all copies are mailed.
